Diligence

Drive

Self-growth

Ambition

Stage presence

ABOUT ME

A Computer Science & Engineering student at Seoul National University with a strong work ethic and a rockstar spirit inside. I push myself hard, stay curious, and bring energy to everything I take on. My ambition is simple: to keep growing until I become an icon in my field.

PROJECTS

In Progress

No completed projects yet — currently sharpening my skills and preparing to build work worth showing. Watch this space.
